

**Fetal Bovine Serum (US Origin)****ORDER INFORMATION**

**Name:** Fetal Bovine Serum (US Origin)  
**Catalogue No:** **cAP-55**  
**Product format:** 500ml (sterile)  
**Storage:** **-20C or -80C**

**General Information**

Premium Grade FBS is widely used by cell culturists requiring high quality, high performance FBS for a wide variety of applications.

- 100% US Origin
- High quality, high performance FBS for a variety of applications
- Preservation of native, growth-promoting factors and minimization of growth-inhibiting factors
- ISIA Certified Supply Chain for Traceability

**Shelf Life: Minimum 24 months**

**QC: Lot specification data will be available on request.**

**THESE PRODUCTS ARE FOR RESEARCH USE ONLY**

**Caution:** Handling human and animal tissue derived products is potentially bio-hazardous. Although each cell strain is tested negative for HIV, HBV and HCV DNA, or pathogens, diagnostic tests are not necessarily 100% accurate; therefore proper precautions must be taken to avoid inadvertent exposure. Always wear gloves and safety glasses when working with these materials. Never mouth pipette. We recommend following the universal procedures for handling products of human origin as the minimum precaution against contamination.
